

HABITAT FOR HUMANITY

During the Worship service on Sunday, January 30, Roland Buchs, President of the local Habitat for Humanity, presented a plaque to the Ridgecrest United Methodist Church on behalf of Habitat for Humanity of the Indian Wells Valley for the generous and continued support of the Habitat ministry in our Indian Wells Valley.

The Lois Landrum Build, which we were instrumental in building, was accomplished with contributions and hard work from our congregation both monetarily and hands on. This home was the 15th house completed by Habitat IWV since incorporation in 2000.

Our church contributed \$80,500.00, which was made possible through individuals pledging at least \$5.00 a week for three years making this commitment successful.

Thank you to all who contributed faithfully to make this "God Size Goal" come true.
