

A Blessed Lenten Season to all

The music appropriate for Lent is often somber or minor in key which some find displeasing. I seem to like the variation to get my attention for more seeking his word and listening to the Holy Spirit. We hope the the words to each anthem during this season can speak to you in some new way to build on your faith.

For the month of March we owe our thanks to Kathy Cummings for finding the musicians and singers for the 8:00 a.m. service and leading hymns whenever she is in town. Thank You to Carol Sakai, Diane Foucher, Kathy Cummings, Carol Sakai; Kristin Hall, Jeff Green, Diane Foucher, Cheryl Haun, Sam Haun, and John Anderson.

Always thank you to our song leaders for the 10:30 a.m. service even if they are "voluntold". Thank You to Mick Rindt, Curt Kidner, Ron Backman, Zak Atencio for the great "band" Patrick Rindt directs. Again a reminder of the upcoming events involving the choir or other musicians

April 17 and 24 the choir will be at all services

April 21, 7 p.m. Communion followed by a cantata by Pepper Choplin, "Come Walk With Me"

May 1, 4:00 p.m. the St. Petersburg Men's Quartet, suggested donation of \$10. They bring along CD's and novalties to purchase.

May 20, 7 p.m. concert with Jim and Jeanne Strathdee, and there is usually a time for sing-a-longs.

Don't miss this inspiring couple who were our music leaders in the 70-80's. Invite your friends. Suggested donation for offering at around \$10. CD's available to buy.

Several members will be going north for the summer after Easter so if you are waiting for an empty chair in the choir loft, now is the time to join us for the summer single service choir experience. Congratulations to our alto lady, Janet Hughes on her engagement to Martin Lininger (we all love him).

A complete and speedy recovery to our alto, Kristin Hall, on her surgery. Great news that Roger Becker has recovered from the diet restrictions caused by a reaction to meds. Terry Ratcliff also had a terrible reaction to meds and we pray for her full recovery from the bronchitis.

Pray always for the choir as with over 40 members there is always a need.

Thank you and God Bless  
Janice Anderson, Director of Music

## NURTURE COMMITTEE

All of us need nurturing so this article is to remind you that we have a committee for just that purpose. All you have to do is ask or volunteer. Thank You to the many friends and members who have delivered meals to Mary and Jim Netzer during her time of healing from serious surgery.

If you are the person who would like some meal assistance please let the church office know or phone me at any time (760-375-8829). Our need is often there for persons to be the provider of a meal or portion thereof, please make that call, does not have to be gourmet.

For those unable to attend church on the first Sunday of the month and miss receiving Holy Communion please let Marge Anderson or myself know and we will get one of our servers to make arrangements to come to you. No trouble, that is their ministry, so let them serve you.

A big thank you to Eleanor Stanford and John Anderson for providing the beautiful setting and power point for the celebration of the life of Natalie Andri. Thank You to all who attended, brought abundant food, shared their stories of Natalie, and thanks to you wonderful clean-up crew who just volunteered.

The Trustees have plans to repaint the lines soon, which will help a great deal to see the spaces in the dark or rain. Thank You trustees!!!

Blessings and thank you all.  
Chair, Nurture Committee, Janice Anderson
